KEY * = includes some IB scores; ** = includes some Pre-U scores; † = Cranleigh School did not submit A-level results.

HS = High School, GS = Grammar School, Ind = Independent

The table is based on A-level, IB and Pre-U results supplied by the Independent Schools Council on August 25 and does not take account of grades revised since then. Not all ISC member schools submitted results.

IB scores reflect subjects taken at higher level only, not at standard level or the theory of knowledge/extended essay. IB scores at higher level have been converted by treating 7 as A* at A level and 6 as A.

Pre-U scores have been converted by treating D1 and D2 as A* and D3 as A.
