To Parents and Guardians of Boarding pupils re start of Autumn Term 2010

Dear Parents and Guardians

## **Start of Autumn Term 2010 for Junior Boarders**

We are already in the process of making preparations for the start of the Autumn Term and in particular plans for welcoming the new boarders who will be joining us in September.

One of Caterham's strengths in boarding over the years has been our induction programme prior to the start of School in helping new boarders to settle in. This has relied upon some of our existing boarders returning to School early in order to help in this process. The Heads of Houses have been discussing this issue with the boarders and your son or daughter has kindly agreed to return early in order to help us.

Your child has been asked to arrive on the evening of Wednesday 1 September 2010. I would be grateful if you could please contact Mr VanNiekerk ([andion.vanniekerk@caterhamschool.co.uk](mailto:andion.vanniekerk@caterhamschool.co.uk)) or Mrs Quinton ([clare.quinton@caterhamschool.co.uk](mailto:clare.quinton@caterhamschool.co.uk)) in order to confirm these arrangements.

I am most grateful to all the boarders who return early as they help to perpetuate the friendly family atmosphere which has been established at Caterham.

With kind regards,

Yours sincerely
