## **To Parents and Guardians of all Lower Sixth Boarders**

Dear Parents / Guardians

### **Re: Computer Access to the Internet**

All Upper Sixth boarding pupils have the opportunity to have computer access to the Internet system in their own study bedrooms. Pupils can lease a computer from the School at a cost of £165 per year. The cost of the hire charge will be added to the School bill in the Autumn Term 2009.

The computers will be serviced by the ICT Department and the school's ICT Policy regarding use of the Internet system will apply to the use of the computers in the study bedrooms. The School reserves the right to withdraw access to the school's ICT facilities for any pupils that abuse the system.

Pupils are not allowed to connect their own computers or laptops to the Internet system as this would undoubtedly lead to the introduction of viruses into the system.

Pupils will still have daily access to the School's ICT rooms and also ICT facilities within the boarding houses.

If you would like your daughter/son/ward to lease a computer for use in their own study bedroom please complete the enclosed form and return it to me by Monday 8 June.

Yours sincerely

**Jim Seymour**

## Upper Sixth Boarders Agreement for Leasing of a Computer

Pupils' name..... Form .....

I would like my daughter/son/ward to lease a computer for use in their study bedroom for the academic year 2009 - 2010.

I agree that the payment of £165 can be added to the School bill in the Autumn Term 2009.

Signed.....Parent / Guardian

Date.....

**Please return to Jim Seymour, Senior Teacher and Head of Boarding by Monday 8 June 2009. Thank you.**
