To Parents and Guardians of Boarders regarding NBA Basketball Trip

Dear Parents and Guardians

NBA Basketball Trip

Your son or daughter has expressed an interest in joining the boarding trip to see a US basketball match at London's O2 arena on Saturday 5 March. The match is the first ever NBA game to be played in the UK and offers a rare opportunity for basketball fans to see the world's best players in action.

Depending on final numbers, the trip will cost somewhere between £55 and £60 per person. This price will cover the cost of the tickets and travel to the venue in Greenwich. As this trip is more expensive than our regular boarding trips, I would like to confirm that you are happy for the cost to be added to the school bill.

If I have not received an e-mail by Tuesday 1 February to say that you do not want the cost to be added to the school bill, I will assume that you are happy for your son or daughter to take part in the trip.

Yours sincerely

Nick Mills
