

# Caterham School

## Boarding - March 2010

Pancakes...just can't get enough.

Sugar, butter, more sugar.

Celebrating Chinese New year with a Karaoke.

# We wish you a Happy Easter

Mothering Day Service.

Thank you to all Boarding 'Mothers.'

Another boarding Maths genius.

Boarders and day pupils doing the 'Mr Seymour Quiz.'

Celebrate! Drama cup is ours again!

**Epic House Drama win for the Boarders. Highlight of the term.**

Dear Parents and Guardians,

The second half of the term has been very busy but highly successful with three trips, two workshops and a Junior Quiz Evening. It is particularly pleasing to see junior boarders inviting their day friends to our social events. In The Maths Challenge for pupils in the Third to Fifth Years six out of the ten pupils who have reached the finals were boarders. They all won gold medals and special congratulations goes to Benny Wong who although only in the Fourth Year was the top mathematician of all the pupils in these year groups. The House Drama Competition was one of the highlights of the term and the boarders successfully retained the cup. This was a real team effort with over fifty boarders involved under the excellent leadership of Anjali Batt, Sam Moore and Eric Rhodes. Many of our senior boarders have been members of the School Basketball team and this has proved a very popular activity. Our Activities Weekend was very hectic but enjoyable and was well organised by some of our Lower Sixth boarders. The Junior Talent Show highlighted the wealth of talent that we have in boarding.

A variety of charity fund raising events have also been organised this term.

Examinations are fast approaching at the start of next term and I hope that those pupils taking public examinations will ensure that some constructive revision is done during the holidays.

I hope that you all have an enjoyable Easter Holiday with your families.

**Jim Seymour, Senior Teacher and Head of Boarding**

**Talent Show**

Taking the acting very seriously.

Everything did turn into gold.

Lower Sixth prefects, managers of the casino.

Junior Talent Show. The applause nearly brought the house down.

Lessons in film making...and special effects.

Top form, 3B.
