21 April 2010

To Parents and Guardians of all Boarders

Dear Parents and Guardians

Thank you very much to those of you who have already sent in details of rescheduled travel arrangements.

It is very important for us to have the time of arrival in the United Kingdom for your son or daughter.

If you have not already sent in details of rescheduled travel arrangements we would be grateful if you would let us know when you have any information regarding your child's return flights.

Also if there have been any further changes to details which you may have already notified to us, please send us an update. Please e mail these details to your child's Head of House, as follows:

for girls - Mrs Quinton at clare.quinton@caterhamschool.co.uk

for junior boys (First to Fourth Year) - Mr Van Niekerk
andion.vanniekerk@caterhamschool.co.uk

for senior boys (Fifth Year and Sixth Form) - Miss Wright at
judith.wright@caterhamschool.co.uk

PLEASE ENSURE THAT YOU ALSO SEND A COPY OF YOUR E MAIL TO ME -
jim.seymour@caterhamschool.co.uk

Some parents have already requested an official letter from the school to support priority applications for flights. Please let me know if you need a letter to support your application for a place on a flight.

Please remember to ask your child to check the school website for details of work set. There is a link on the bottom of the home page.

Please do not hesitate to contact me if you have any particular concerns.

With kind regards.

Yours sincerely

Jim Seymour
Head of Boarding
