

## CATERHAM SCHOOL

### **Official Opening of The Christine Walker Gallery.**

On Sunday 21<sup>st</sup> March the Christine Walker Gallery was officially named and opened by Marigold Schleger and Deborah Schneebeli-Morrell, trustees of The Christine Walker Foundation. Named in memory of the inspirational 'Walkie', Head of Art at Eothen School 1941-74, the gallery seeks to encapsulate her visionary approach to the teaching of Art & Design.

The gallery was filled with the animated exchange of reminiscence, many people encountering friends they had not met since school days. We were very pleased to welcome Diana Raine, former Headmistress of Eothen School. The setting of this reunion was an exhibition entitled '60' in which twelve artists and designers, past pupils of both schools, have returned to show work which they have completed since leaving. A diversity of styles as wide as the sixty year age gap between the oldest and youngest exhibitors, illustrated the strength of talent amongst our former pupils.
