### **Caterham School students deliver stunning results in this year's A-levels with 76% of grades at A\*-A**

A-level results this year place Caterham School among the very top schools in the country.

Students at Caterham School can celebrate a tremendous new record with this year's A-level results as they achieved 76% of passes at A\*-A. The results this year are:

A*	33.0%^ (up from 24.9% in 2010)
A	43.0%^ (up from 40.6% in 2010)
A* - A	76.0%^ (up from 65.6% in 2010)
A* - B	92.4%^ (up from 92.1% in 2010)
A* - C	97.9%^ (up from 97.7% in 2010)

NB: ^ indicates new School record. Both sets of figures are prior to re-marks.

Headmaster Julian Thomas said: 'These astonishing results are likely to be among the very best in the entire country. The fact that three quarters of all examinations were graded A\* or A demonstrates just how well this year group has performed.'

These 123 remarkable young men and women have shown in the clearest possible way that commitment to a broad and varied education should not, and need not, be at the expense of academic achievement. Along their educational journey, they have been active participants in every aspect of School life.

For me though, I will always remember their enthusiasm and good humour. It has been a genuine pleasure to get to know them as individuals and as a group; these results are a fitting end to their time at Caterham. I would like to wish them all *good luck* as they move on to the next important stage of their lives.

I would also like at this time to pay tribute to our wonderful teaching staff: our students will know that today's achievements belong as much to them.'
