

## CATERHAM SCHOOL

29 November 2010

To Parents and Guardians of Fourth Year pupils studying History and Business Studies

Dear Parents and Guardians

Following careful monitoring of student progress in History and Business Studies/Economics GCSE classes, and discussions with Mr. Salem and Mr. Smith we have decided that it will be in your child's best interests to be allowed to sit one GCSE module in each of these subjects this summer. Given the timing and nature of these two modules disruption to other subjects will be minimal.

Therefore Fourth Year Historians will be sitting **Unit 2A: Germany 1918 – 1939 on Wednesday 22 June 2011 (pm).**

Those students studying Business Studies/Economics will sit **Business Unit 6: Introduction to Small Business on Friday 27 May 2011 (pm).**

If you have any queries please do not hesitate to contact the Head of Department concerned or either of us.

Yours sincerely
