Dear Students, Parents and Guardians

L6th results: Thursday August 18th

We are now at the end of the exam season and a number of issues need to be highlighted. As far as exam results are concerned, we would be grateful if you could follow the following procedures.

Students in the **Lower Sixth** receiving AS examination results – these results will be released from 1400 hrs. If you require your results over the telephone, they will be available from **1500 hrs.**

Can I take this opportunity to wish our students lots of luck and a very successful Results Day, and our best wishes for your final year in the Sixth Form. We look forward to seeing our current Lower Sixth parents, friends, guardians etc. during the weeks and months ahead.

Yours sincerely
