Dear Parents and Guardians

PSYCHOLOGY REVIEW MAGAZINE

Having personally subscribed to *Psychology Review* for numerous years now, I feel that it would benefit your son or daughter in his or her A-Level Psychology studies. Given its benefits, I would like to seek your permission to go ahead and subscribe on your son or daughter's behalf.

Psychology Review is written by subject experts, including articles by leading AQA examiners. It is designed to stretch the knowledge of key AS and A2 topics and helps students to apply their understanding to recent developments in the world of Psychology. The magazine has proven to be extremely beneficial to past students and is highly recommended as further reading for those studying A Level Psychology.

The cost of the annual subscription is £11.95 for a quarterly delivery. Please would you indicate on the slip below if you are happy for me to go ahead and place the order on your behalf? For convenience sake, with your agreement, the cost can be added to your school bill.

Please do not hesitate to get in touch if you have any questions or queries in this regard.

Yours sincerely
