

CATERHAM SCHOOL

11 July 2011

To Parents and Guardians of Sixth Form students

Dear Student, Friends, Parents and Guardians

Important: University confirmation August 2011: University places will be in short supply this autumn.

We are now at the end of the exam season and a number of issues need to be highlighted. As far as exam results are concerned, we would be grateful if you could follow the following procedures:

- a) **Upper Sixth**, i.e. those students completing full A levels – results will be available from 8.00am on Thursday 18 August. For those students who are not able to collect their results in person and wish to receive results by telephone you can call the school switchboard from **10.00am onwards**.

Please note that UCAS Track should be 'live' from 12.01pm on that Thursday morning. This should allow students/applicants to see whether their selected universities have confirmed their place or not.

- b) Students in the **Lower Sixth** receiving AS examination results – these results will be released from 2.00pm. Again if you require your results over the telephone, they will be available from **3.00pm on Thursday 18 August**.

As always we encourage our Upper Sixth students who are holding university offers to be here for their results in case there are any slightly difficult circumstances that require your personal attention. We strongly urge you to be here, and this is especially important this year given the severe competition for places.

Can I take this opportunity to wish our students lots of luck, a happy summer and a very successful Results Day, and our best wishes for the next stage in their journey of life. We look forward to seeing our current Upper Sixth parents, friends, guardians etc. during the weeks ahead and particularly on 18 August.

Kind regards.

Yours sincerely

Michael Lesser
Director of Sixth Form
