

CATERHAM SCHOOL

17 September 2010

To Parents and Guardians of all Lower Sixth Students

Dear Parents and Guardians,

Tanzania and Ukraine Expeditions, Summer 2011 – Information Evening

Members of the Lower Sixth have the opportunity to participate in expeditions to either Lerang' wa School in Tanzania, or Nagydobrony School in the Ukraine. These trips have become an established part of the Caterham School Sixth Form experience for those lucky enough to take part, offering unique opportunities for personal development and cultural experience. The trips also form the spearhead of our charitable projects, as these two schools benefit directly from Caterham's fundraising, and the trip participants will contribute to the management of our development projects.

The expeditions involve a charity/development phase, a physical challenge and a final phase of tourism.

The information evening will be held in the Humphreys Hall at 7.30pm on Thursday 30 September. The evening will involve presentations on both trips, and will be finished by 8.30pm. I would encourage you to discuss these trips with your sons and daughters in advance, and please encourage them to talk with participants from previous years

I look forward to seeing you at the information evening.

Yours sincerely

Anthony Fahey

Head of Upper Sixth
