

## CATERHAM SCHOOL

7 January 2011

To Parents and Guardians of Sixth Form students

Dear Parents and Guardians,

### **Examination Leave for Sixth Form students for Examination modules in January 2011**

#### **There are two key principles in setting examination leave:**

- 1) We want to minimise the disruption to AS / A2 teaching (and we have much of the academic year in front of us still)
- 2) We want to give students the best possible chance of achieving a high grade in their exams.

#### **Consequently:**

Examinations will commence within the next few days:-

- For any exams that are in the **morning**, students must attend lessons the previous day
- For any exams that are in the **afternoon**, students need not attend School in the morning.

**Yours sincerely**

**Michael Lesser**  
**Director of Sixth Form**
