

CATERHAM SCHOOL

9 May 2011

To Parents and Guardians of all Senior School pupils

Dear Parents and Guardians,

Once again we have arranged with OPRO for them to visit the School to fit mouthguards. OPRO produce mouthguards which are strongly recommended by the Governing Bodies of rugby, lacrosse and hockey and they comply with all the relevant legislation. These fitted mouthguards are much more comfortable than the shop sold variety and, furthermore, offer a great deal more protection.

OPRO will be visiting the School before the start of the Autumn term on **Thursday 1 September from 9.00 am**. The fittings will take place in the Stephen Smith Room at the Sports Centre. In order to make the session run as smoothly as possibly an appointment system will be in operation.

If you would like a fitting at School please follow the advice below and in the attached leaflet:

1. Choose the mouthguard required for your son or daughter.
2. Place the order over the internet, www.opro.com. You will not need to pay as the cost will be added to your end of term bill.
3. Then call OPRO with your reference number on 01442 430 690 and follow the prompt to Customer Care where you will book your appointment time for the OPRO dentist.

As your child is going to play lacrosse, rugby and/or hockey during the coming academic year, it is vitally important that they are equipped with a mouthguard – fitted either by OPRO or alternatively by your own dentist. The School cannot be held liable for any injury sustained by a pupil, which could have been prevented by wearing a mouthguard. If you require further information please do not hesitate to contact me.

Yours sincerely,

Rob Clarke
Director of Sport
