

Dear Parents, pupils and friends of Caterham School.

The Caterham School Back to the Future Summer Fair will this year be held on Sunday June 26th and promises to be bigger and better than ever!

Amongst our usual attractions we will be having dodgems, archery, a zip wire, teacups and laser quest rides, a birds of prey display, music and dancing from all ages and plenty of food and refreshments to suit all tastes. There will be a chance to win an iPad2 in our fantastic raffle with over 20 prizes or to buy a bike from our second hand bike stall.

Proceeds from the fair are split between the Parents' Association and our charity, The Children's Trust in Tadworth, which helps children from birth to 25 with brain injuries. It is an amazing charity and our money will go towards helping to build accommodation for families to stay whilst their child is receiving care.

If you have a bike that you would like to sell at the fair then all the details are attached below and also a list of all our collection dates. There will be collections made in the Pre - Prep, Prep and Senior car parks after drop off in the mornings and bikes can also be brought along on the 26th before the fair starts at 12.30.p.m

Please help us to support the Parents' Association and the charity.

Many thanks

Liz Mason - on behalf of the Summer Fair Committee.
