To Parents and Guardians of pupils in the First to Fourth Year

Dear Parents and Guardians

Having checked several different weather forecasts for tomorrow, it looks highly likely that we will be hit by some heavy showers during Sports Day.

We will do everything we can to make sure that the event goes ahead as planned. Only if the rain is persistently heavy will the afternoon be cancelled. That said, the safety of the pupils is our first concern and we may need to cancel certain races and/or field events depending on the wetness of the grass.

If your son or daughter has athletics spikes, they should bring them into school tomorrow.

Fingers crossed for some bursts of bright sunshine.

Yours sincerely,

Rob Clarke
