CATERHAM SCHOOL

Philosophy and Aims

Caterham School seeks to be one of the country's finest co-educational schools, providing an education for life in a caring environment based upon Christian values.

Caterham strives to develop the whole person by:

- fostering an environment in which all pupils are happy, secure, confident and valued .
- stimulating all pupils to achieve their academic potential.
- encouraging the development in each pupil of spiritual and moral values, self-discipline, responsibility, and respect for others and the environment.
- offering a wide range of enriching co-curricular activities.
- promoting independent thinking and lifelong learning through innovative educational practice.
- nurturing a positive relationship with parents, Old Caterhamians, and the wider community.
- supporting and developing enthusiastic, dedicated staff who feel committed to the School.

CATERHAM SCHOOL CODE

Caterham School is your School; respect it and be proud of it. Do all you can to make the School one in which we are all treated courteously and are happy; where hard work is honoured, fair play in sport is valued and artistic endeavour promoted. Remember that if you act in ways which harm the reputation of Caterham School, you harm yourself, your friends and all members of the School community.

All members of the School should be familiar with the statement on School Policies and Standards in which guidelines on Disruption, Relationships, Bullying, Theft, Vandalism, Smoking, Drinking and Drug Abuse are outlined. In addition the following are specified as a practical expression of consideration for others, and are intended to make life easier for everyone.

1. Be polite and show respect to all members of the School community and to visitors to the School.
2. Move about the School in a quiet and orderly manner. Do not run in corridors or on staircases, and keep to the left.
3. Make every effort to keep the premises and locality tidy. Litter must not be dropped in the grounds, buildings or on the way to and from4. Make yourself aware of the bounds of the School. No pupil may go outside the boundary of the School, during the School day, without the permission of their Year Head or Head of Lower School for members of First and Second Years. They must sign out in the School Office and sign in again on return to the School.

School prefects are permitted to leave the School premises without obtaining permission but must sign in and out in the usual way.

5. Ensure that all clothing, sports kit and personal possessions are clearly marked with your name.
6. Use only your allocated locker and be responsible for making it secure. Under no circumstances are you to use or tamper with a locker belonging to someone else.
7. Wear your School uniform (as specified in the uniform regulations) smartly each day, including on the journey to and from School. You may not go home in your sports kit until after 5.30 p.m.
8. Remember that food provided in the Refectory should be eaten there and not removed elsewhere. Food and drink should be consumed only in the Year Areas or designated play areas. Food and drink should not be carried around corridors and through-routes of the school and should not be consumed outside the front of the school. The chewing of gum is not permitted.
9. Pupils in First - Fifth Years must not bring personal music players to School and must keep mobile phones in lockers from 8.30am to 4.00pm. Pupils in the Sixth Form may bring these items to School but may only use them in the Sixth Form Centre.
10. Arrive promptly in School for the formal start of the day at 8.30 a.m.

11. If you have permission to drive a car to School, make sure your School permit is displayed at all times. Permission to drive to School may be granted to the Upper Sixth Form by the Deputy Head upon written request from the parents. You may not be driven by another pupil without the written consent of the parents of both parties.
12. Use the front door only if you are a School Prefect or are accompanied by staff or a parent. At the end of the School day you must be collected from the driveway at the front of the School. You must not wait in Harestone Valley Road to be collected, nor on the pavement immediately in front of the main door.

Please remember that your behaviour out of school reflects on us all. Show courtesy to others, for instance by making way on the pavement. Avoid eating, drinking, noisiness or thoughtless behaviour in public. Wear your uniform properly, and with pride.

CO-CURRICULAR ACTIVITIES

Details of co-curricular activities can be found on the website at www.caterhamschool.co.uk – click on ‘Activities’.

THE MAGGS LIBRARY

Opening Hours

Monday – Friday: 8:30am – 5:00pm

THE UNITED REFORMED CHURCH

Caterham School was founded in 1811 by the Revd. John Townsend.

The purpose of the school was to provide an education for the sons of Congregational Church ministers.

This heritage of Caterham School continues through a link with the United Reformed Church. The United Reformed Church (URC) was formed in 1972 by the union of the Congregational Church in England and Wales and the Presbyterian Church of England. The URC has continued to express its deep commitment to the visible unity of the whole Church and acts to promote the growth of justice and peace for the whole of God's creation.

The school benefits greatly from its links with the Church and the school Chaplain comes from the URC tradition. Furthermore, Caterham School is granted access to the facilities at the Harestone Valley church where annually, the Boarders' Welcome Service and the school Carol Service take place.

For more information please visit www.urc.org.uk.

THE ROB DAVEY SOCIETY (RDS)

What is the RDS?

The RDS was set up in 2006 to oversee community service, charitable giving and public benefit at Caterham School. It organises, encourages and supports a wide range of charitable activities including:

- The Macmillan coffee morning
- The Poppy Appeal
- The Lower School Christmas Fair
- The Talent Show and Dance & Fashion Show
- The Mufti days

How are funds spent?

The RDS has supported many charities including Marie Curie, the Orpheus Centre, the NSPCC and Oxfam. Fundraising efforts, however, are mainly directed towards Caterham School's sponsorship of Lerang'wa School in Tanzania and Nagydobrony School, Ukraine.

How much money has been raised?

2007/08 = £31,000

2008/09 = £25,000

2009/10 = £30,000

2010/11 = £35,000

How is the RDS organised?

A Sixth Form Charity Committee co-ordinates the charity side of the RDS and charity reps in each year group help to organise fund-raising events and initiatives. If you would like to be involved, see your Head of Year or Mr Clark.

How can you help?

You can help in many ways. You can become a rep and / or organise sponsored challenges for your form. Equally, you can collect second hand goods that can be donated to either of the two schools we support. You could buy our charity greeting cards (see the website) or you could make financial donations directly to <http://www.justgiving.com/caterhamschool>. Any help and contributions would be much appreciated.

How can I find out more?

Please contact Mr David Clark on 01883 343028 or david.clark@caterhamschool.co.uk or visit the School's website on www.caterhamschool.co.uk/charity.
