Caterham School Rugby 1st XV Double Success – Selected as Rugby World's School Team of the Month & Through to the Quarters Finals of the Daily Mail Vase

Caterham School 1st XV rugby team are celebrating being chosen as Rugby World's School Team of the month in March based on their unbeaten run in their regular fixtures during the Christmas term.

This term they have continued with that success reaching the Quarter Finals of the Daily Mail Vase U18 competition. Due to the adverse weather they only played their Round 5 match against King's School, Ely on Sunday 18th January, winning 53-3. They then played Hurstpierpoint College on Wednesday 21st January and won 40-0 with tries scored by Ben Doney (2), captain Matt Foulds (2), Chris Kendell (1) and Owen Morgan (1). Ben Davidson converted 5 out of 6.

The Quarter Final match will be away to Giggleswick School in North Yorkshire on Wednesday 11th February.

Director of Sport, Pat Lavery said: " The squad are thrilled to be chosen as the Team of the Month. It is very encouraging to achieve such recognition. Now we must focus on the next match. We are expecting a tough game against Giggleswick School as all teams will be strong at this stage of the competition. We are training hard and the experience of having to overcome some powerful opponents in our regular season will prove useful. The team spirit was particularly strong when we were in danger of losing the unbeaten record and I think all the squad learnt from that experience."

Daily Mail Vase U18 - results so far:
