

CATERHAM SCHOOL

Caterham School pupils create a new school record for A*-A GCSE Grades

Pupils and teachers at Caterham School are celebrating a new record for A*-A grades in this year's GCSE results.

63.1% of GCSE grades were A*-A up from 59.9% last year and 56% in 2005.

Headmaster Julian Thomas said: This is a terrific achievement by pupils and teachers. Our A* - C grades have been just under 100% for years but we have seen a steady improvement in A* - A grades to this record high of 63.1%. This reflects extremely well on the pupils who have put in so much hard work."

Mr Thomas continued: "The continued strength of the sciences showed through with those pupils taking Biology and Physics as separate subjects achieving 100% at A*-A with 84% achieving A*-A in Chemistry. Of course we did very well across our wide range of 25 subjects and, of the 112 pupils in the 5th Year, 89% achieved 8 or more A*-C grades. I was also encouraged to see that, although not included in our results, 21 pupils in our 4th Year (Year 10) achieved A*-A in Maths. However, whilst we are celebrating these results we do not overlook the fact that our main aim is to provide an excellent all-round education so that every pupil can achieve their full potential academically and socially."
