

## CATERHAM SCHOOL

### **Caterham School Are Division 2 Champions in the Brian Poulter Chess League**

The Caterham School chess team are Division 2 champions of the Brian Poulter Chess League which is the largest inter-school chess league in the country with schools from all parts of Surrey represented.

This is the third consecutive year that Caterham School Chess Team has achieved promotion. During these years the team has never lost a competitive match.

Head master Julian Thomas said: "This is a remarkable achievement by the chess team who have been led for the last three years by Matt Lunn. Matt is in his final year with us before he goes to university. He has played in every match and has never been defeated. It probably makes him one of our most successful school team captains. Our Chess Club meets every week and is just one example of our extensive co-curricular programme. We have about forty different clubs and societies which enable our pupils to develop their skills and interests. This is an integral part of fulfilling our intention of developing the potential of each and every pupil thereby helping to prepare them for their life at university and beyond."

Matt Lunn  
Team Captain.
