

Summer Term Calendar 2009

CATERHAM SCHOOL

Education for Life

Caterham is a co-educational day and boarding school for pupils aged 3 to 18 years. We aim to provide an excellent all round education so that every pupil can achieve their full potential academically and socially. We strive to develop the pupil as a whole person thereby helping to prepare them for their life at university and beyond. We are a family school with Christian values providing a caring and stimulating environment.

CATERHAM SCHOOL CODE

Caterham School is your School; respect it and be proud of it. Do all you can to make the School one in which we are all treated courteously and are happy; where hard work is honoured, fair play in sport is valued and artistic endeavour promoted. Remember that if you act in ways which harm the reputation of Caterham School, you harm yourself, your friends and all members of the School community.

All members of the School should be familiar with the statement on School Policies and Standards in which guidelines on Disruption, Relationships, Bullying, Theft, Vandalism, Smoking, Drinking and Drug Abuse are outlined. In addition the following are specified as a practical expression of consideration for others, and are intended to make life easier for everyone.

1. Be polite and show respect to all members of the School community and to visitors to the School.
2. Move about the school in a quiet and orderly manner. Do not run in corridors or on staircases, and keep to the left.
3. Make every effort to keep the premises and locality tidy. Litter must not be dropped in the grounds, buildings or on the way to and from school.
4. Make yourself aware of the bounds of the School. No pupil may go outside the boundary of the School, during the School day, without the permission of their Year Head or Head of Lower School for members of First and Second Years. They must sign out in the School Office and sign in again on return to the School.

School prefects are permitted to leave the School premises without obtaining permission but must sign in and out in the usual way.

5. Ensure that all clothing, sports kit and personal possessions are clearly marked with your name.
6. Use only your allocated locker and be responsible for making it secure. Under no circumstances are you to use or tamper with a locker belonging to someone else.
7. Wear your School uniform (as specified in the uniform regulations) smartly each day, including on the journey to and from School. You may not go home in your sports kit until after 5.30 p.m.
8. Remember that food provided in the Refectory should be eaten there and not removed elsewhere. Food and drink should be consumed only in the Year Areas or designated play areas. Food and drink should not be carried around corridors and through-routes of the school and should not be consumed outside the front of the school. The chewing of gum is not permitted.

9. Pupils in First - Fifth Years must not bring personal music players to School and must keep mobile phones in lockers from 8.30am to 4.00pm. Pupils in the Sixth Form may bring these items to School but may only use them in the Sixth Form Centre.
10. Arrive promptly in School for the formal start of the day at 8.30 a.m.
11. If you have permission to drive a car to School, make sure your School permit is displayed at all times. Permission to drive to School may be granted to the Upper Sixth Form by the Deputy Head upon written request from the parents. You may not be driven by another pupil without the written consent of the parents of both parties.
12. Use the front door only if you are a School Prefect or are accompanied by staff or a parent. At the end of the School day you must be collected from the driveway at the front of the School. You must not wait in Harestone Valley Road to be collected, nor on the pavement immediately in front of the main door.

Please remember that your behaviour out of school reflects on us all. Show courtesy to others, for instance by making way on the pavement. Avoid eating, drinking, noisiness or thoughtless behaviour in public. Wear your uniform properly, and with pride.

THE MAGGS LIBRARY

MAGGS LIBRARY OPENING HOURS

Monday – Friday: 8:30am-4:00pm
(4:00pm – 5:00pm
for returns and issues)

The Library is open throughout the day (with the exception of first break Monday)

Your Library

The library is here to serve YOU and all the other members of the school community.

The School Librarian, Mrs Damesick or Deputy Librarian, Mrs. Davis are available to help you find what you need.

- In the main section of the library you will find reference and non-fiction books, as well as computers for research use.
- The Mezzanine Floor (upstairs) has been set aside especially for pupils in the middle/senior school who wish to read for leisure. Come and browse through the selection of fiction then relax on the bean-bags or choose a comfortable chair. There is a separate Junior Reading Room on the ground floor for First and Second Years.

Resources

- We not only have non-fiction material, reference books and novels but we offer a wide selection of videos / DVD's (free overnight loans), audio-tapes, music CDs, CD ROMS on request, maps, magazines and newspapers.
- The Librarian welcomes suggestions for new resources – write down your idea and pop it in the box by the Librarian's desk.

Loans

- You may borrow books, music CDs and audio tapes for a two week period, then renew them if you need more time. Some of the books are available only on 3 day loan because they are in high demand. Videos / DVD's may be borrowed overnight (no renewals). Use the post-box for quick returns.
- There is a fine system for overdue items:
 - 10p a day for books on 2 week loan
 - 50p a day for a book on 3 day loan
 - £1 a day for videos / DVD's

Fines must be paid before further borrowing can take place.

- If in doubt – renew your book! If you have a problem with regard to returning an item, please speak to the Librarian.

Does the library have what you're looking for?

- Use the on-line catalogue system from any computer within the school. Click on the LIBRARY SEARCH icon on the desktop and enter the key word.
- Ask the Librarian or the Deputy Librarian or one of the pupil assistants for help.
- If we haven't got it – we'll get it (within reason!). Pop your suggestion in the box.

Would you like to help?

Anyone can volunteer to help out in the library – just come and ask!

The
**United
Reformed
Church**

Caterham School was founded in 1811 by the Revd. John Townsend. The purpose of the school was to provide an education for the sons of Congregational Church ministers.

This heritage of Caterham School continues through a link with the United Reformed Church. The United Reformed Church (URC) was formed in 1972 by the union of the Congregational Church in England and Wales and the Presbyterian Church of England. The URC has continued to express its deep commitment to the visible unity of the whole Church and acts to promote the growth of justice and peace for the whole of God's creation.

The school benefits greatly from its links with the church and the school Chaplain comes from the URC tradition. Furthermore, Caterham School is granted access to the facilities at the Harestone Valley church where annually, the Boarders' Welcome Service and the school Carol Service take place.

For more information please visit **www.urc.org.uk**.

THE ROB DAVEY SOCIETY (RDS)

What is the RDS?

The RDS was set up in 2006 to oversee community service, charitable giving and public benefit at Caterham School.

What exactly does it do?

The RDS organises, encourages or supports a wide range of charitable activities including:

- The Macmillan coffee morning in September.
- The Poppy Appeal
- The Lower School Christmas Fair
- The Sixth Form Talent Show
- The non-uniform days
- The charity greeting cards project
- A variety of sponsored events
- Community service initiatives eg The Orpheus Centre
- The Lerang'wa School in Tanzania

About Lerang'wa School

This is a small school located near Mount Kilimanjaro in Tanzania. Caterham School has been 'twinned' with Lerang'wa in order to offer professional and financial assistance to improve the school and the wider community. A group of 6th Form students visits Lerang'wa every summer to help with teaching, sports coaching and overseeing future investments.

How is the RDS organised?

A Sixth Form charity committee co-ordinates the charity side of the RDS and charity reps in each year group help to organise fund-raising events and initiatives. If you would like to be involved, please see your Head of Year or Mr Clark.

How can you help?

You could join the charity committee or you could volunteer to be a charity rep in your year group. Equally, you could organise a fund-raising event or you could take part in a sponsored challenge. Alternatively, you could take part in some form of community project either at school or in your local area.

How much money was raised last year?

We set ourselves a target of £25,000 and yet raised over £31,000 for a variety of causes. Much of that money will go to Lerang'wa and some will go to a project in Brazil called Rainbow Farm which is an orphanage for street children set up by a former teacher from Caterham School.

WE ARE WHAT WE DO

Below is a list of small things we can all do to change our world!

- Decline plastic bags whenever possible (use a ruck-sack)
- Use energy saving light-bulbs and re-cycle more
- Learn basic First Aid
- Take public transport when you can and walk more!
- Plant a tree and grow more vegetables
- Volunteer to help in your local community
- Save water
- Support your local church's community projects
- Turn off appliances at the mains
- Re-cycle your mobile phone - go to www.foneback.org
- Spend time with someone from a different generation
- Give your loose change to charity
- Try watching less TV
- Use a mug not a plastic cup
- Learn key words in another language
- Sponsor a child in a Third World country
- Give blood - go to www.blood.co.uk
- Don't drop litter
- Give items you no longer use to charity shops
- Support non-uniform days and other sponsored events at school
