SCHOOL

## **MUSIC DEPARTMENT**

The Music Department at Caterham is enthusiastic and committed to the highest standards, with a strong emphasis on teamwork.

We are proud of a Music Department where anything is possible and where students are able to express themselves in a positive and enriching way.

Our aims are:

- to offer a great variety of opportunities for musicians, of any standard
- to embrace all styles of music
- to believe that music making should extend well beyond graded exams
- to provide “out of school” opportunities for our musicians

Past pupils have gone on to read music at university and pursue their musical studies at conservatoires and the school has an excellent record of results at Associated Board of the Royals Schools of Music and Trinity Guildhall examinations.

Over thirty visiting music teachers provide instrumental and vocal tuition to students throughout the school. Many of our visiting teachers perform professionally and our lively and friendly department makes the music block an exciting and inspiring environment for musical development.
