

CATERHAM SCHOOL

6 January 2015

Dear Parents and Guardians

Caterham School Equestrian Team

I am writing with information regarding the newly formed Caterham School Equestrian Team, which we hope will represent Caterham School at various equestrian fixtures and compete with other schools in association with the National School's Equestrian Association. So far we have attended two events, with the most recent event at Mayfield St Leonards being our first official team outing, where the students involved did extremely well. The team competitions are open to children from Year 3 upwards, who own or have access to a pony or horse, have transport and would like to compete for the School in any of the following disciplines: show jumping, dressage, 'jumping with style' and eventing. Details as to exact standards of the competitions can be found on the NSEA website, as can the calendar of forthcoming events for 2015, which includes a number of competition venues within an acceptable distance of Caterham School (<http://www.nsea.org.uk/competition-information/competition-dates>). At present, I am coordinating the team with the help of Mrs Samantha Bloquet, the mother of one of our team members. Should your child be interested in this opportunity, please contact me in the first instance for more information.

Yours sincerely
