

CATERHAM SCHOOL

Caterham School Hockey 1st XI reach the quarter finals of the National Plate Competition

On 19 March Caterham Hockey 1st XI defeated Hitchin Boys' School 10-0 to reach the quarter finals of the U18 Plate competition in the National Schools Championship. After a slow start Caterham were leading 1-0 at half time and then, during a 10 minute period in the second half, Caterham stepped their game and played some fantastic team hockey to take a 4-0 lead. They never released their grip on the game and dominated rest of the match. Two players scored hat tricks; Ed Chatfield and Ross Powell. Caterham now face Merchant Taylors' School in the quarter final during the Easter holidays.

Caterham School Head of Hockey, Andrew Patterson, said: 'The squad have played very well all season and have only experienced one defeat in 24 games. They are an impressive group of players as they recognise that they play better when they come together as a team.'
