Over 200 netball players from across Surrey took part in the trials which would lead to selection for the Surrey County schools netball satellite academies.

Five Caterham School pupils were selected for one of the five Satellite academies: Sarah Lowe (U14), Antonia Satchell (U14), Georgia Tuckett (U14), Zara Russell (U13), Katie Hudson (U13). This will be Georgia's second year in the academy system, and the first for the other girls.

Three Caterham School pupils were selected for the elite academy, which consists of two squads containing the top forty players in Surrey schools. The girls, who are all in the U14 age group are Anna Gardner, Roberta Lack and Pippa Lloyd. This is Roberta's second year in the elite squad, and the first for Anna and Pippa.

Head of Netball, Miss Jaclyn Leach said: 'This is an excellent achievement by all the girls as the standard of competition was very high. The girls will train every week between now and April in their respective academies as they progress towards the Regional Festival at the end of the season when they will compete against girls from Kent, Essex and Middlesex.'
