### **Caterham School Swimmers are District Champions in Three Categories**

On 4 February Caterham School hosted the District Swimming Gala for Lower Junior and Junior pupils. Seven schools participated; Reigate Grammar, Dunottar, Woldingham, RAAS, Warlingham and Oxted.

Caterham School swimmers won three of the four categories and are now District Swimming Champions in the Lower Junior Boys, Lower Junior Girls and Junior Girls categories.

Miss Rachel Hart, Head of Swimming, said 'Our swimming teams are performing really well at the moment. The four teams all swam very well and we nearly won all four categories as our Junior Boys came second. The pupils are starting to get used to our new electronic touch timing pads so they can now see a precise report on their times.'
