Caterham School Pupil Selected for U19 Scotland Lacrosse Squad

Caterham School Upper Sixth pupil Sarah Slater has been selected for the U19 Scotland Lacrosse squad. Sarah is one of twenty-four players who are competing for a spot to play in this summer's U19 World Lacrosse Championship being held in Edinburg, Scotland. The final selection of the eighteen players will be made in January.

Miss Katie McHugh, Head of Lacrosse at Caterham School, said: "Sarah really deserves this recognition. She has considerable ability and is an inspirational leader in our 1st team. Her dedication to improving her skills and fitness is seen not only during training sessions but also in her free time. She really enjoys her lacrosse and is happy to share that with others when she coaches at the Caterham Cougars lacrosse club. In my view, Sarah embodies all the good things about lacrosse at Caterham. I am very proud that she has earned a place on the Scotland team but most of all I am delighted for her."
