Caterham School Pupils Selected for the Surrey County Netball Academy

Caterham School pupils Lauren Hunt-Williams and Ellie Ibrahim (both Fifth Year) have been selected for the Surrey County Netball Academy.

The Academy is for the best netballers in Surrey between the ages of 14 to 18 years and it is the first step on the pathway towards achieving Regional and perhaps even National honours.

Lauren endured two days of trials in May – the first of which was attended by over one hundred girls - plus a further three evening trials sessions in June. This is Lauren's first year in the Academy

Ellie was part of the squad last year but missed the trials due to injury. However she was thrilled to hear that her performance last year had secured her place and she can now just concentrate on regaining her fitness to begin training with Lauren at the first Academy session on 6 September.

Miss Jaclyn Leach, Head of Examination PE at Caterham School, said: 'I am delighted for them both. Ellie and Lauren have been shining stars for Caterham School netball for some time so I am delighted that Lauren has also been recognised within the County system. I must also mention Chloe Wyner who was also selected for the County Academy but, having also been selected for the U19 England Lacrosse squad, she decided to focus on lacrosse.'
