### **Caterham School U15B Hockey team complete a second season undefeated**

Following a hard fought but deserved victory over a previously unbeaten Eltham College team on 14 March, Caterham School U15B team have achieved a record of 25 matches without defeat (24 victories and just one draw) stretching back to January 2013.

The team have completed their season having played 9 and won 9, with goals for 37 and goals against 1.

This is their second consecutive undefeated season as they were also undefeated as the U14B team too.

Caterham School Director of Learning & Teaching, Mr Kim Wells, who has coached the squad over the past three years, said: 'The team had to find their best performance of the season to prevent Eltham from having a single shot on goal. In what has been an extraordinary run, these boys have conceded just 2 goals whilst scoring an incredible 111 goals at the other end. A combination of extra training sessions (including fitness at 7.15am) and an unshakeable team ethic has underpinned this wonderful achievement.'

The U15B squad: Rupert Arnold, Aaron Aspinwall, Thomas Blake, Leon Blatch, Theo Boutell, Josh Clark, Lachlan Coyne, Dan Greenhalgh, Matt Ireland, Cam Mayo, Seb Paul, Dmytro Prasolov, Guy Raeburn(Capt), Andrew Watson, Zachary Welford.
