Co-Curricular Activities for Dance

As dance collaborations are still constrained by various regulations and whilst sections of the school remain in bubbles, the Dance Team are holding an event at the end of the Summer term (Dive, Tuesday, 29 June) that focuses on solo performance and ensemble dance delivered live if restrictions continue to lift during the course of the coming months. In order to prepare and rehearse our pupils for this, pupils will be contacted separately by a member of the dance team and rehearsals arranged accordingly following government guidelines.
