## PROPOSED RESIDENTIAL TRIPS PLANNER

### SEPTEMBER 2022 TO AUGUST 2023

Below is a summary of the key dates for proposed residential trips for the period September 2022 to August 2023.

We advise that whilst the schedule published here represents our plans at the current time, all trip arrangements, timings and costs given are provisional and are subject to alteration dependent upon a number of factors including government advice and regulation, and pupil uptake. Parents and guardians will receive further information regarding trips relevant to their children, and invitations to sign up, from staff leading the trips.

We further advise that the Visa Waiver Scheme, previously in operation for trips to Europe, no longer applies and visa requirements will need to be managed on a case by case basis. Passports will now require six months' remaining validity from the date of return of the relevant trip; it would be pertinent to arrange renewal as early as possible where this is relevant, as some delays have been experienced. Please do not hesitate to contact Cath Drummond (Deputy Head, Co-curricular and Operations) if you would like to discuss these matters or any of the trips listed.
