PROPOSED RESIDENTIAL TRIPS PLANNER

SEPTEMBER 2023 TO AUGUST 2024

Below is a summary of the key dates for **proposed** residential trips for the period September 2023 to August 2024. Further additions may be made if opportunities arise.

We advise that whilst the schedule published here represents our plans at the current time, all trip arrangements, timings, and costs given are provisional and are subject to alteration dependent upon a number of factors including government advice and regulation, and pupil uptake. Parents and Guardians will receive further information regarding trips relevant to their children, and invitations to sign up, from staff leading the trips. We are also aware that due to the timings of some trips it will be necessary for some families to make a choice between the opportunities available. Whilst we try as far as possible to avoid clashes, we are constrained by availability and are grateful for your understanding.

We also advise that the Visa Waiver Scheme, previously in operation for trips to Europe, no longer applies and visa requirements will need to be managed on a case-by-case basis. It is not possible for the school to arrange visas. Passports will now require six months' remaining validity from the date of return of the relevant trip; it would be pertinent to arrange renewal as early as possible where this is relevant, as some delays have been experienced for recent renewals. Please do not hesitate to contact Cath Drummond (Deputy Head, Co-Curricular and Operations), if you would like to discuss these matters or any of the trips listed.
