Late Buses
We offer a limited late bus service, departing at 6.00pm, for pupils who have to stay behind after school for co-curricular activities or turnouts. The late buses leave the front of School promptly at 6.00pm each evening and pupils may sign up for this service on the day of travel only. Pupils should sign the late bus register forms, which are located in the reception area, upon their arrival at School in the morning. Pupils must sign up for the late bus no later than 2.30pm as for Health and Safety reasons we need to know in advance how many pupils are using this service each day. If your son or daughter has not signed up for a seat on the late service by 2.30pm we may not be able to accommodate them in which case they will need to make an alternative arrangement with you to travel home.

The School reserves the right to alter routes, timings and pick up/drop off points when road works, traffic and external influences effect the normal operation of these routes.
