

The following tables summarise our proposed residential trips for the period September 2025 to August 2027.

We advise that whilst the schedule published here represents our plans at the current time, all trip arrangements, timings, and costs given are provisional and are subject to alteration. Further additions may be made if opportunities arise, whilst some of these opportunities may not be able to proceed (for example due to tour providers' availability or pupil uptake).

Parents and Guardians will receive further information regarding trips relevant to their children, and invitations to sign up, from staff leading the trips. We are also aware that due to the timings of some trips it will be necessary for some families to make a choice between the opportunities available. Whilst we try as far as possible to avoid clashes, we are constrained by availability and are grateful for your understanding.

As well as our residential trips, each academic year we also run a wide range of day trips for all year groups. These day trips look to create opportunities to enrich learning beyond the classroom, whether sporting, academic, cultural, creative, enrichment or volunteering. Details of these opportunities will be communicated throughout the year on a case-by-case basis.

Please do not hesitate to contact the given Trip Leaders or Alex Moore, Assistant Head (Co-Curricular), to discuss any of the trips listed.
