Micro Fleece Trackpant
(unisex fit)

How do I know what to buy?

The uniform requirements for the senior school are listed on our [website](#). Some items are Caterham branded and therefore must be bought from our two suppliers. Other items are optional or are unbranded and can therefore be purchased from any retailer. This is indicated on the website and in the parent handbook where items that are in listed bold font must be bought from our uniform supplier. Any optional items will be clearly labelled as “optional”.

It's not obvious what is 'boys' kit and what is 'girls' kit. Help!

We do not have a 'boys' uniform and a 'girls' uniform but instead give pupils the option to choose uniform that makes them feel comfortable whilst being smart and purposeful. Any pupil may wear trousers, or skirts, a reverse collar blouse or a shirt and tie. That said, for sports kit, different sports may require different kit so it can get confusing!

All pupils will require tracksuit pants, shorts, a games top (rugby or netball), a coloured 'house' top, plain white ankle sports socks and a quarter zip fleece.

Most boys will wear:

- A (stripey) rugby top (reversible sports top)
- rugby or training shorts
- playing socks for rugby and hockey

Most girls will wear:

- a netball top (sports top)
- playing socks for hockey
- some may opt for a skirt, all should have shorts, and they can pick from a couple of designs

The skirt and trousers should be charcoal. Last year my child wore a grey skirt and/or black trousers – can they still wear them this year?

All new uniform items should be charcoal. Older items that were purchased previously may continue to be worn until they need replacing.

I am ordering uniform for an incoming boarder, can I get it delivered to their boarding house?

Yes, no problem at all. Please address the parcels to:

Your child's name
Name of boarding house e.g. Beech Hanger/Townsend House/Viney House
Caterham School
Harestone Valley Road
Caterham, CR3 6YA
United Kingdom

Is there a way that I can try uniform and kit on for size before ordering?

School Blazer offer an intelligent sizing service that will help you find the correct size for your child, which parents have found to be very effective in the past. Games kit is available to try on at the Sports Centre, please email uniform@caterhamschool.co.uk to arrange a suitable time before or after school or at the weekend during the opening hours of the Sports Centre.

Serious Stuff also have a store in Mortlake, SW14 8LW which is open 9am to 5pm, Monday to Friday for click & collect orders and exchanges from our Mortlake Office that do not require a fitting.

The Serious Stuff website is asking for a password to access the online shop, what is this?

The password is **CATSPORT**

Additional, Sixth Form specific, games kit is mentioned. When can I purchase that? Will I need to buy new kit?

Responding to requests from pupils, there will be some additional items available to Sixth Form pupils at some point this academic year (eg. leggings and a black hoodie) These are completely optional.

The size I want isn't available, what shall I do?

If a School Blazer item which you require is currently out of stock and is showing as available for pre-order please go ahead and place your order. School Blazer will work to ensure the item is in stock and dispatched to you as swiftly as possible.

If a Serious Stuff item which you require is currently out of stock please select "Email me when this item is back in stock" to be added to the waiting list. Alternatively email support@serious-stuff.com for advice on when the size will arrive.

In the unlikely event that your child cannot get suitably sized uniform and kit for the start of term, please let us know and we may well be able to lend them kit until their own becomes available.

My child is starting the school in September. How do I find out what House they will be in so I can order the correct uniform?

On the day of their induction, pupils will be given a letter confirming both their form and house. Induction evenings for first- and third-year pupils take place in mid-June.

How can I get free delivery?

School Blazer offer free delivery in a two-week window end of June/beginning of July every year. These dates are on the website and updated each year. They also offer free delivery on orders over £175.

Serious Stuff offer regular free deliveries to the School throughout the year where you order in a specific window to be added to a bulk delivery to the school. To get your Serious Stuff order delivered free of charge to the School in one of these delivery slots click on the 'pick up in store' option when ordering online and then scroll down and click the 'C&C Caterham school' option, all orders will be included in the free school delivery. Your child can collect the item from our Sports centre office on the ground floor between the sports hall and the swimming pool during the school day or items can be collected in the members opening hours of the Sport centre which can be found on our sports centre website:

<https://www.caterhamschoolsportscentre.co.uk/>

How do I contact the uniform suppliers directly?
